Sir,

Sub: Town Planning- Mangalore Municipality- Boloor Town Planning Scheme- extension of time- C.R.- submitted.

Ref: C4. 1173/49 dated 13-8-51.

---- o

In my letter dated 13-8-51 an extension of time till 12-9-52 was requested for in connection with the preparation and submission of Draft Scheme in respect of Boloor Town Planning Area. The notification under rule 33(a) of Madras Town Planning Rules 1933, read with section 10 of Town Planning Act 1920 was published on the notice Board of the Municipal Office on 23-8-50. As per Director of Town Planning Circular No. R,C. 6239/51/A dated 9-6-51 time upto 2 years including the one year period under section 10 could be granted in respect of Town Planning Schemes to Government. So the time limit in this case expired on 23-8-51 and not on 12-9-51 which was mentioned previously by oversight.

The Municipal Council has resolved to apply for an extension of time till 23rd August 1952 for the preparation, publication and submission of the above scheme. In enclosing a copy of Council Resolution no 1509 dated 13-10-51 with my note thereon I reqast that the Govt. may be please to sanction the extension of time.

Sir,

Sub: Boldor detailed Town Planning Scheme- Extendion of time for submission of scheme requested.

I request you to grant extension of time for submission of Boloor detailed Town Planning Scheme by one year (i.e. upto 5th September 1952). The resolution of the Municipal Council approving extension of time for submission of Scheme will be submitted to you soon and in view of the fact that the time for submission of the scheme expires by 12-8-51, this application is being made in advance of the aforesaid resolution of the Council.

In accordance with a recent circular from Director of Town Planning (No. 6239-51-A-1 dated 9-6-51) I herewith furnish all the particulars required under section 9(1) of Town Planning Act 1920 the Mangalore Municipal Council resolved on 12-8-1950 to prepare a detailed town planning scheme for extended area of Boloor. The Scheme was duly notified under section 10 of the Town Planning Act, and the scheme was registered as per rule 50A of Town Planning Rules on 25-11-50. All tentative proposals were marked on an up-to-date Map of the scheme and was sent to Director of Town Planning for suggesting a suitable layout and this is pending with him.

The preparation of ownership shhedule was taken up meanwhile and the work is in progress. As the Municipal Office does not maintain ownership particulars of lands outside Municipal limits, much difficulty is being felt as this scheme includes areas outside Municipal limits also and the assistance of village Officers is being taken in the matter. As the time limit under Section 11 of Town Planning Act expires by 12th September 1951, I request you to grant extension of time for submission of draft scheme upto 12th September 1952. It may be mentioned in this connection that this is the first time, in respect of this scheme, that an extension of time is being applied for an as per a recent circular of Director of Town Planning (B06239/51/A1 dated 6-3-51) time limit could be granted upt 2 years including the one year period under Sec.11 of Town Planning Act.

The Boloor Town Planning Scheme is likely to be submitted within the period (i.e.12-9-52) for which extension of time is being applied for. Immediately after proposals for scheme are received from Director of Town Planning, it could be finalised in consulatation with the Council and particulars regarding owners of lands included in the scheme.
